

Anti-Bullying Policy

Safe & Happy Cyclists

HHYCC recognises that:

- bullying is “behaviour, usually repeated over time, that intentionally hurts another individual or group, physically or emotionally”. [Safe from bullying in youth activities, DCSF 2009.]
- one person or a group can bully others
- bullying can occur either face to face between individuals or groups or online, using information technology, such as computers or mobile phones
- bullying can include:
 - verbal teasing or making fun of someone;
 - excluding children from games and conversations;
 - pressurising other children not to be friends with the person who is being bullied;
 - spreading hurtful rumours or passing round inappropriate photographs/images/drawings
 - shouting at or verbally abusing someone;
 - stealing or damaging someone’s belongings;
 - making threats;
 - forcing someone to do something embarrassing, harmful or dangerous;
 - harassment on the basis of race, gender, sexuality or disability;
 - physical or sexual assault (although all sexual incidents and all but very minor physical incidents constitute abuse and must be dealt with in accordance with child protection procedures)
- bullying causes real distress. It can affect a person’s health and development and, at the extreme, can cause significant harm
- people are often targeted by bullies because they appear different from others
- we all have a role to play in preventing bullying and putting a stop to bullying.

The purpose of this policy is:

- to prevent bullying from happening in our organisation, as much as possible
- when bullying does happen, to make sure it is stopped as soon as possible and that those involved receive the support they need
- to provide information to all staff, volunteers, children and their families about what we should all do to prevent and deal with bullying.

We will seek to prevent bullying by:

- Having a code of behaviour that sets out the “dos” and “don’ts” in terms of how everyone involved in HHYCC is expected to behave, both in face-to-face contact and online
- Developing a new members’ welcome policy that will help HHYCC to attract members from diverse groups
- Having regular updates with coaches, volunteers, children, young people and families who use HHYCC to ensure that they understand our anti-bullying policy. Reminding everyone:
 - group members’ responsibilities to look after one another and uphold the behaviour code
 - practising skills such as listening to each other
 - respecting the fact that we are all different
 - making sure that no one is without friends
 - dealing with problems in a positive way
 - checking that the anti-bullying measures are working well.
- Making sure that coaches, volunteers, children and young people, and parents and carers have clear information about our anti-bullying policy, complaints procedure, code of behaviour and anti-bullying procedure.

When bullying occurs, we will respond to it by:

- Having a clear anti-bullying procedure in place
- Providing support and training for all coaches and volunteers on dealing with all forms of bullying, including racial, sexist, homophobic and sexual bullying
- Addressing the issue from the point of view of the person being bullied, the bully, any bystanders and HHYCC as a whole
- Reviewing the plan developed to address the bullying, in order to ensure that the problem has been resolved
- Avoiding any punishments that make the individuals concerned seem small, or look or feel foolish in front of others.
