### Join the HHYCC team!

Thanks to the people who responded to the race advisor's role. Jean, Eddie, Tituoan, Max and Sam Judd (an ex member now working at Bon Velo). We'll sit down and go through what we'd like to achieve and how we think we can do it after the AGM.

Those who responded offering to help where needed - don't worry - we haven't forgotten about you!

We are still looking for an additional Fundraiser, and Volunteer co-ordinators. Currently we don't do a very good job utilising the talents of the people who bring their kids to the club as we rarely have time on a Saturday - could you be the person to encourage more people to join in the club as helpers?

More details on the Facebook page and in last week's newsletter...
