Tuesday: Crystal palace marshalling...

This Tuesday it's HHYCC's turn to help marshal the Crystal Palace crits

On Tuesday 21st June, it's our turn to help with the marshalling at Crystal Palace helping out DeLaune CC.

A total of 10 marshals are needed for each race - if you can help, please [email Bill](#). If you can say whether you have to leave after race 1 (6.30pm - 7.15), or if you can only get there in time for race 2 (7.00pm - 8.30), or if you can do both (6.30 - 8.30), that will help us plan.

This is a really nice evening watching the racing, chatting to like minded cyclists, watching the sun go down over London. Our role is mainly to keep pedestrians off the course, explain what's going on to them, and enthuse them with the wonders of closed circuit racing.

If we get too many volunteers, that's fine - it means we can double up and people have more people to talk to!

Saturday 25th June: HHYCC sponsored fundraising ride

Our start of fundraising for the trails rebuild is this Saturday. We really need as many riders as possible to ride a circuit on the trails to ride as many laps as possible and eat cake:

- Current members
- Old members
- Mums
- Dads
- Carers
- Aunties
- Uncles etc etc

Coinciding with our **15th** anniversary, and the Herne Hill Velodrome pavilion is being rebuilt, so we wanted to celebrate this with something special.

Herne Hill Youth Cycling Club

Herne Hill

We found it difficult to continue using our trails right through the winter because some work is needed to improve drainage. We also have some exciting plans to add a mountain bike skills area. Therefore we've decided to celebrate our anniversary by raising money to carry out repairs and improvements.

This **Saturday** we will be holding a sponsored cycle ride. There will be 2 circuits – 800m for our younger riders and a more challenging 1500m circuit for older riders. This means that anyone can take part and it's your choice which circuit you decide to do.

The ride will take place between 10am and 3pm. There will be refreshments on the day and spectators will be welcome. The event will be professionally scored with electronic timing to keep track of the laps you complete.

We raised £100 from 20 riders in 2009 – what can we do this time?

Thank you all for your contributions and good luck in your ride!

.. and here is the sponsorship [form](#)

Whilst we do this, our normal sessions won't be running.

And did we mention CAKE?

... and you can help on the day...

We'll have hordes of hungry cyclists to feed, not to mention their friends, fans and assorted hangers-on. We're getting the catering tent out and we need all hands on deck. It's time to unleash your inner cake maker and volunteer to serve food and drinks or offer to help with the barbecue.

Please bring cakes and other bakes on Saturday morning, and let Andrea, Sheila or Rebecca know if you can help with the serving.

We will need help with setting up from 10 am onwards and the food tent will be particularly busy from 1pm. The event carries on until 3pm and we will also need a bit of help with the clear up.

Don't be shy. Your club needs you! ☺

That's it for this week!
